Foster Con Mini Comic Festival

Saturday, February 25
10:00 am to 4:00 pm

E.P. Foster Library
2nd Floor

Come to the 4th Annual Foster Con Mini Comic Festival, an event for comic lovers of all ages.

There will be many activities, including an anime workshop for kids, zombie preparedness class, vendor tables and games.

Special guests include True Thomas the storyteller, the Mandalorian Mercs, and a very special Star Wars cosplay group.

CODE CLUB

E.P. Foster Library is now hosting a code club every Wednesday from 4 to 5 pm in the Makerspace on the second floor. Kids will be introduced to computer programming using Code.org, Scratch, and Tynker. Code clubs are a way to build confidence in computer science through self-directed skill building, critical thinking, collaboration, and creativity.

No computer experience needed
Aimed at kids 8 – 13
Bring your own laptop to connect and follow-along
Some library laptops will be available on a first-come, first-served basis.

Makerspace at E.P. Foster
hosts
Library LAB Open Workshop
Mondays @ 5-6pm

Makerspace Open Workshop
Wednesdays @ 5-6pm

STEAM monthly, exploring concepts related to science, technology, engineering, art & math in fun, sometimes silly, ways.
first Thursday of the month, 10:30 am to noon

Saticoy Library
3D Printing Club explores this emerging technology through hands-on experiences with creative tools. Discover new skills through design-based problem solving. Connect with others in a collaborative and positive learning environment.
