THE SUMMER OF STEAM

Science · Tech · Engineering · Art · Math

Registration coming June 1st!

Pre-Readers, Kids & Teens, get ready to read! From June 1 - August 12, join us for a summer of STEAM (Science, Technology, Engineering, Art and Math)!   Books are the best tools of all!

How it Works:
   Register online
   1 minute read = 1 point
   Accumulate 600 points anytime between June 1 - August 12 (10 hours of reading)
   For every 100 points accumulated, you will automatically be entered into the online GRAND PRIZE DRAWING
   Once you reach 600 points, go to your local library and select a prize book (while supplies last)

Grown-ups can participate this summer in an online contest**: Adult Summer Reading 2017.**
Enter to win a host of fun prizes every time you read a book. There is no limit on the number of entries. By submitting a response you agree to have your initials displayed on our leader board inside of the library.
Good luck!   http://www.vencolibrary.org/adultsummerreading

"Read Me A Story & More!": an early literacy workshop for parents and caregivers of children ages 0-5 years begins on **Tuesday, August 29**, 6:00 pm to 8:00 pm in the Topping Room**, E.P. Foster Library.**
Parents and caregivers will learn:
   The 6 early literacy skills and the 5 practices children need to be reading ready
   How to make a story come alive! How to have fun with felt board rhymes & songs
   How to extend stories into activities that the whole family will enjoy!
   Each participating family receives finger plays, felt supplies and a book to enjoy.
Advanced registration is required. Sign up at the children's desk or call 648-2716.   Class size is limited.
