Watch for Grand Opening
of Hill Road Library
in December!**

Folks, get your library cards ready and join us in supporting an exciting new branch coming to East Ventura this fall!

As a part of the Ventura County Library System, the Hill Road Library will be a convenient place to pick-up/drop-off books and so much more. It will feature literacy services for all ages, after school homework tutoring, and access to 21st Century technology. As a new resident of Ventura and a father of two young children, I have vested interest in seeing this family-friendly library become a safe and dynamic part of the community.

On behalf of the library team, we appreciate your help in making this neighborhood center a success!

Best regards,
Antonio Apodaca
Librarian Adventurer
Future Manager of the Hill Road Library
